## **SEASON DIVIDED INTO TWO-HALVES WITH RESET OF TEAMS AT MIDWAY POINT**

To be fair to all players, the league will be split into two halves. After the spring half (May 15 to June 26), teams will be re-drafted and the standings will re-set for the summer half (July 10 to August 21).

## **REVISED 4/18/24 GENERAL INFORMATION**

The 2024 Breakfast Hill Golf Club Men's Twilight League will consist of 14-weeks of play split into two halves (spring and summer). Each session will consist of 104 players with two separate fields of 52 players each. Play will consist of team and individual competitions. All AB Flight (low 52 Handicap Indices) play will compete from the Maroon/Black Combo markers while the CD Flight (second 52 Handicap Indices) will play from the Black markers. All seniors (65+) regardless of flight will have the option to compete from the Black/Silver combo markers and super seniors (70+) may compete from the silver markers. All players must declare this before each session of play. They cannot change tee markers during a particular session.

## **WEEKLY DAY AND SHOTGUN TIME**

Breakfast Hill Golf Club's Men's Twilight League takes place every Wednesday from May 15 until August 21 at 4:30 pm (weekly shotgun). Please reference the League Schedule for more information.

## **REVISED 4/18/24 FIELD DIVIDED INTO TWO SEPARATE FIELDS WITH TWO FLIGHTS PER FIELD**

This season's field will consist of 104 players with 52 players in each field. This year's league is essentially two leagues on one single night. Based on each player's GHIN Index (based on the May 1 for the spring half and June 19 for the summer half) this year's field will be divided into two separate flights. Fifty-two players will be assigned in each flight. Players will still be defined as A, B, C, or D players. A & B players will compete in one flight while C & D players compete in the other. The AB flight and the CD flight will never compete against each other.

## **INDIVIDUAL COMPETITION**

Individual nine-hole matches vs. a different opponent within the same flight will take place every week throughout the season. If a player wins his match, he will earn one point for himself (for individual standings). A half point will be awarded for finishing a match all-square. Prizes will be distributed to the top five players in each flight at each half's conclusion (prizes subject to change). Individual play will reset halfway through the season. Individual results will not factor into team point totals.

## **TEAM COMPETITION; INDIVIDUAL RESULTS WILL NOT BE FACTORED INTO TEAM TOTAL POINTS**

Two-man teams will compete throughout the season. A/B players will play on one nine while the C/D players will play on the opposite nine. The format will consist of four-ball (better-ball) matches. A/B teams will compete against other A/B teams throughout the season (same with C/D teams vs. C/D teams). Winning your team match will earn you points. Point totals will increase as halves progress. See below for more. Prizes will be distributed to the top five teams and ties at each half's end (prizes subject to change). Team play will reset halfway through the season.

## **POINT DISTRIBUTION FOR INDIVIDUAL & TEAM MATCHES**

First, second, and third weeks of each half: Winning a match earns one (1) point, halving a match earns a half (1/2) point, losing a match will not earn any point (0).

Fourth and fifth weeks of each half: Winning a match earns two (2) points, halving a match earns one (1) point, losing a match will not earn any points (0).

Sixth and seventh weeks of each half: Winning a match earns three points (3), halving a match earns one (1) point, losing a match will not earn any points (0).

## **TEAMS TO BE FORMED VIA ONE DRAFT – MAKE NOTE OF SCHEDULING CHANGE FOR SECOND SESSION DRAFT**

*FIRST HALF DRAFT (May 8 at 5:30 pm):* A players will draft their B teammate (first round). C players will draft their D teammate (second round). The first and second round order selection will be made by drawing names at random out of a hat. A brief five-minute trade period will take place following the draft.

*SECOND HALF DRAFT (June 26 following play; play begins at 4:30 pm):* B players will draft their A teammate (first round). D players will draft their C teammate (second round). The first and second round order selection will be made by drawing names at random out of a hat. A brief five-minute trade period will take place following the draft.

## **NEW IN 2024 – NO STROKES TO BE ASSIGNED ON PAR 3'S**

All players will receive their allotted their proper number of strokes from the appropriate tee markers but no strokes will be assigned to any par three throughout the league season. This includes for individual, team and skins play.

### **SCORECARDS & HANDICAPS – ALL HANDICAPS ADJUSTED TO 80% FROM APPROPRIATE TEE MARKERS**

Because this is a “team centric” league, weekly scorecards will be dotted off the low handicap in the foursome. Please keep in mind scorecards are dotted for Four-Ball matches only. All handicaps are adjusted to 80% from the appropriate tee markers. This handicapping policy is a league “local rule”. Individual matches will be dotted off the low player in that particular match but dots are NOT illustrated on the scorecard. There are no dots for individual matches. Skins use each player’s total nine-hole Course Handicap (off the course). All dots/strokes will be assigned using 80% of each player’s each Course Handicap from the appropriate tee markers. Scorecards will be assigned to the appropriate carts prior to play. It is each player’s responsibility to check each scorecard before turning it in for scoring. Once the scorecards are turned in, the results will be considered FINAL. Results WILL NOT be reviewed under any circumstance following each league night (unless it is to dispute data entry by the Director of Golf and/or Golf Staff).

### **WINNERS AND PRIZES RELEASED AT BREAKFASTHILL.COM ON JULY 3 AND AUGUST 28**

SPRING HALF prizes will be released and issued by Wednesday, July 3. SUMMER HALF prizes will be released and issued by Wednesday, August 28. This is a team-centric league. A majority of the prize pool (70%) will go to team prizes. The remaining pool (30%) will go to individual prizes. The total prize pool will be divided into two separate pots reflecting this season’s two halves. Players are eligible to win prize money in both individual and team standings.

### **END-OF-SEASON DINNER TO TAKE PLACE FOLLOWING PLAY ON WEDNESDAY, AUGUST 21**

Our annual end-of-season dinner will take place following play on Wednesday, August 21. There will not be any informal cash game this season. The league dinner is included in everyone’s league fees.

### **SPECIAL WEEKLY CONTESTS**

Men’s League will offer weekly Closest to the Pin contests. One contest will be placed on the front nine; another will be placed on the back nine. A \$20 Golf Shop credit will be awarded to each winner on a weekly basis. There is no additional weekly fee to enter these special contests. Closest to the Pin contests are included in your league fee.

### **GOLF SHOP CREDIT EXPIRES ON FINAL DAY OF GOLF SHOP OPERATION FOR THE SEASON**

All prize credit must be redeemed by the close of business on the Golf Shop’s final day of operation for the season. Credit may be redeemed on merchandise, greens fees (memberships and passes excluded), range fees (passes excluded), and cart fees (passes excluded) only. If ordering merchandise, there are no returns or refunds on these products. Please make sure you are ordering the proper specifications. No physical prize credit cards will be issued this year. All Golf Shop credit will be kept in the club’s point-of-sale system. THERE ARE NO EXCEPTIONS TO THIS EXPIRATION DATE.

### **OPTIONAL SKINS GAME OFFERED EVERY WEEK**

An optional skins game will be offered during each week of the league season for an entry fee of \$10. This fee includes entry into both gross and net skins contests. Cash prize will be awarded to those competitors who record the lowest gross and net score(s) on a given hole during their particular nine-hole round. Skins winners will be announced following play on every league night. If a skin is not won during a specific night the total pot will carry over to the following week. Unclaimed skins money will be forfeited on September 15, 2024.

### **NO REFUNDS GRANTED**

Once the league season commences (draft night on May 8), no league refunds will be granted regardless of reasoning including the violation of any league rules. Medical refund requests are subject to review. The official start of the league season is defined as the night of the Spring Draft.

### **TEE MARKERS**

All AB players will compete from the Maroon/Black tee markers (default). All CD players will play from the Black markers (default). No matter the flight, players with ages 65+ will have the option to play from the Black/Silver Combo markers. This declaration must be made prior to the first week of play of each half.

### **WEEKLY PAIRINGS**

Weekly pairing groups will be posted online at BreakfastHill.com under “League News” by 12:00 pm on the Tuesday prior to play (although usually sooner) and outside the Golf Shop on league nights.

### **RANGE BALLS**

Range balls are included in your Men’s League fees. Range balls will be placed on the tee surface no earlier than 3:00 pm on the evening of league. Requests for balls prior to this time are subject to paying the full range ball price. Please respect physical distancing guidelines and allow everyone a chance to warm-up.

## **ADJUSTED FOR 2024 - SUBSTITUTES ALLOWED IN 2024 FOR TEAM PLAY ONLY; NO MAKE-UPS FOR MISSED WEEKS, THOUGH**

Breakfast Hill Golf Club does not allow participants to make-up any personally missed league rounds. Substitutes will be allowed in 2024 but it is the responsibility of the player to find his substitute. The Handicap of the player substituting must be within four strokes of the absent player. Substitute points will only be awarded to team results. The substitute's won or halved points will NOT count to any individual standings. In team competition, the teammate who is present will be forced to compete by himself against the opposing team UNLESS you can find a substitute on a given week. Substitutes will be allowed for all play and they must have GHIN handicap. All substitute's points will be applied to the absent player's team standings only. They are not eligible to substitute for individual points. The only prize a substitute can win are cash skins and/or Closest to the Pin prizes. Substitutes are not eligible for season-long prizes. Medical leave requires the injured player to miss a minimum of three weeks.

## **CANCELLATION IN THE EVENT OF INCLEMENT WEATHER**

In the event of inclement weather, weekly play will be canceled and not rescheduled. Money from these canceled weeks will be re-allocated into the prize pool. Regardless of weather and possible cancellations, all official play will conclude on Wednesday, August 21. The end-of-season awards dinner will take place on Wednesday, August 21, 2024.

## **WEEKLY STANDINGS, RELEASES AND UPDATES AVAILABLE ONLINE AT BREAKFASTHILL.COM**

All information regarding Men's League can be found throughout the season on the club's official website BreakfastHill.com. Once logging onto the home page click on "The Course" located at the top menu. From there go to the section called "League News". Weekly pairings and starting hole assignments will be posted on the Tuesday prior to play. Updated individual and team standings will be posted as soon as possible following play on Wednesday night.

## **CLUB THROWING AND OTHER UNSPORTSMANLIKE BEHAVIOR**

The throwing of any club or any other unsportsmanlike behavior will not be tolerated during the league season. This behavior is not only dangerous to yourself and those around you, but it also takes away from the enjoyment others may be experiencing during their round. Violent and/or unsportsmanlike outbursts will be reviewed on a case-by-case basis by the Director of Golf. If warnings (two or more) are deemed to be excessive, the violating player will be invited not to return to league competition for the remainder of the season – without refund.

## **HANDICAPPING INTEGRITY RELIES ON PROPERLY POSTING SCORES**

It is each player's responsibility to post their weekly league scores. The integrity of our field relies on this happening. League will continue to update handicaps for scoring purposes every two weeks – on the first and 15<sup>th</sup> of each month. Players who do not post scores may have to meet with the Handicap Committee.

## **ABSENCES – THE "THREE STRIKE" RULE**

Each player will be allowed to miss a maximum of three league weeks with no penalty. If a player violates this rule, the teammate will have three options: 1.) the teammate will have the option to replace the violating player (replacement must have a valid GHIN account); 2.) the teammate may allow the violating player to remain on the team; or 3.) the Director of Golf may invite the offending player to withdraw from competition without refund. Players who violate the "three strike" rule may not be allowed to participate in league during the following season. To gain access to league in 2025, the offending player must re-apply with the Director of Golf although this is not guarantee he will be allowed to return. Breakfast Hill Golf Club will strictly enforce this rule on behalf of the effected team(s). All contact information for club officials is located on PAGE 1 of this document.

All rules, regulations, and formats are subject to change prior to the start of the league season. By registering for league, all players agree to all aforementioned rules and regulations. REVISED #3 April 19, 2024
