2020 COMPETITION AND FORMATS

Weekly formats are outlined on the league schedule and will consist of two primary and elementary formats: 1.) Individual Quota, and 2.) Individual Stroke Play. In 2020, each player will have their highest overall score dropped for prize contention. All play will be net. For definitions of each format, please reference descriptions below:

INDIVIDUAL CHICAGO QUOTA FORMAT

The Chicago style Quota format golf format rewards competitors for great play on individual holes and not just for their total scores in a round. It also has a unique way of taking the handicap difference among players into account in the scoring formula, giving players of varying abilities the opportunity to compete against one another.

Players must have an established handicap to compete in the Chicago style golf format. Each player receives a preliminary number of points based on that handicap. For example, a 1-handicapper starts with 18 points, a 2-handicapper 17 points, a 3-handicapper 16 points, and so on. Playing points are awarded based on the score a competitor receives on each hole. A triple bogey gets one point taken away (-1) bogey wins one point, a par wins two points, a birdie wins four points, an eagle wins five points and a double eagle wins six points. The winner is the player who earns the most playing points in excess of his preliminary point allotment. Winners at season's end will be determined by the player(s) with the most points over the course of the season.

INDIVIDUAL NET STROKE PLAY FORMAT

Stroke play, also known as medal play, is a scoring system in the sport of golf. It involves counting the total number of strokes taken on each hole during a given round, or series of rounds. The winner is the player who has taken the fewest number of strokes over the course of the round, or rounds. For Ladies' League, all Stroke Play will factor in strokes using net scoring.

CANCELATION IN THE EVENT OF INCLEMENT WEATHER

In the event of inclement weather, weekly play will be canceled. In the event of the first cancellation, the club schedule will allow (postpone) for one additional week to be added to the end of the league schedule. Any cancellations thereafter will not be rescheduled. Money from these cancellations will be reassigned to the prize pool. In the event of the first postponement, the final week of true competition could be as early as August 10 and no later than August 17.

2020 PRIZES

Golf Shop credit (\$10 per winner) will be awarded on a weekly basis to special contest winners. Quota, Stroke Play, and overall point winners will garner prize winners will be awarded at season's end. The number of prizewinners for each format will be determined at a later date. A player can only win one of the formats so the league can "spread the wealth".

NO MAKE-UP ROUNDS ALLOWED

Breakfast Hill Golf Club does not allow participants to make-up any missed league rounds.

OPTIONAL SKINS GAME OFFERED EVERY WEEK

An optional gross and net skins game will be offered during each week of the league season for a nominal entry fee of \$5 (each). Skins will be awarded to those competitors who record the lowest gross and nets score on a given hole during their particular nine-hole round. It is the club's goal to announce skins winners following play on every league night. If a skin is not won during a specific night the total pot will carry over to the following week. Remember: YOU CAN'T WIN IF YOU DON'T PLAY! Any unclaimed skins money will be forfeited after September 1.

SCORECARDS

One scorecard will be assigned to each foursome on a weekly basis. Individual strokes (or dots) will be illustrated on each scorecard. The number of strokes assigned will reflect the player's Course Handicap based on the latest revision.

SPECIAL WEEKLY CONTESTS

Breakfast Hill's Ladies' League will offer two-weekly Closest to the Pin contests. A \$10 Golf Shop credit will be awarded to each winner on a weekly basis. Entry into weekly special contests is included in your league entry fee.

MAXIMUM HANDICAP FOR SCORING PURPOSES

The maximum Course Handicap for net scoring purposes throughout the season will be 36. The maximum number of strokes on any given hole will be eight (8).

HANDICAPPING INTEGRITY RELIES ON PROPERLY POSTING SCORES

If a player does not finish a hole, please place an "X" in the proper hole location. The golf staff will adjust these scores accordingly. To insure all competitors' handicaps are properly adjusted, a member of the professional golf staff will post all scores in the GHIN computer. For information on how to adjust scores appropriately, visit the Golf Shop and review the Equitable Stroke Control table (ESC) located behind the GHIN computer.
