Breakfast Hill Golf Club reserves the right to close all or part of the facilities for such special events and tournaments at its own discretion. The Club also reserves the right to interrupt or suspend services, when necessary, by reason of inclement weather, accident or emergency, repairs or improvements to the buildings or grounds, or any other cause until such cause has been removed or remedied. Assumption of Risk

As with other outdoor recreational activities, there are certain inherent risks associated with the sport of golf. These risks include, but are not limited to, being struck by errant balls, being struck by lightning, injuries associated with the improper operation of golf carts, and potential slips, trips and falls associated with wet or uneven walking/playing surfaces. By playing Breakfast Hill Golf Club players agree to assume these risks in their entirety and agree to hold harmless the golf course, including its owners, employees, and representatives, for any associated accidental injury, illness, death, or personal property damage.

Handicap

A GHIN handicap (a service of the USGA and New Hampshire Golf Association) is available to all Members. The Member (unless otherwise notified during tournament or league play) is responsible for posting scores online at GHIN.com or by using the GHIN app. The GHIN season in New England begins on April 1, 2023 and ends on November 15, 2023 but accounts will remain active until March 31, 2023 (for those who travel to warmer active seasons). For those Members to gain activation, the Member must make a special request to the Director of Golf. The Handicap Committee reserves the right to discipline those who do not post scores used for competition.
