- ✓ Play will be governed by the latest edition of the Rules of Golf as approved by the USGA, the USGA Handicapping Manual, and any rules addendums handed out by the Club. Rules disputes are to be settled by the tournament director (usually the director of golf) in charge of the competition and the tournament director's decision shall be final. Competition shall be deemed to have closed when the results have been officially announced.
- ✓ Any player whose actions during any Breakfast Hill Golf Club tournament are deemed by the Club to be detrimental to the host club or to the tournament will be subject to penalties as determined by the Club, such possible penalties to include removal from the tournament, and suspension from future Breakfast Hill Golf Club events for a period to be determined by the Director of Golf.

- ✓ Pace of play: In addition to any Pace of Play guidelines set forth by the director of golf (director), the following provision will be in force at this event: Note: The Director reserves the right, at any time, to time a group when the Director deems it necessary. Further, if a player is determined by the Director to be unreasonably slow, he may be timed individually at the Director's discretion, regardless of whether his group is out of position. Players should also be aware that the Director may assess a "bad time" to a player in a group that is out of position if the player makes no effort to help his group to get back into position. Examples of this would be a player who unduly delays play between strokes or holes. Penalty: 1st Bad Time=Warning; 2nd Bad Time=1 stroke penalty; 3rd Bad Time=2 stroke penalty/loss of hole; 4th Bad Time=Disqualification.
- ✓ All club tournament dates, prices, formats, etc., are subject to change.
